Re: *Dwight and Laura Daniels v. James and Candice Holman*
USDC BK Adversary Case No. 14-03285-rld

To Whom It May Concern:

We are in receipt of Mr. Heatherman's letter to the court of today's date and object to its contents. To date, the Court, through Judge Dunn, has not formally ruled in favor of any party and he has taken all matters under advisement. Judge Dunn made comments regarding how he was leaning, but no such orders or rulings have been made.

Yours Very Truly,

R. Hunter Bitner, II
